I think we are set to meet with Mr. Olivier on January 4th at 1:00pm. Please send me his address and contact information. I think we can finish in one afternoon and follow up by phone if we need additional information. Can you give me more information on what his role was with Chromalloy and dates of employment so we can craft the best questions.

Thanks,  
Amy

I think so, if we start at 1:00. You and Bob have done more of these than I have, so I'll defer to you. I'm sure we can set a follow up, either in person or over the phone, if needed.

Bill:

It looks like Bob is available to go to Houma on the 4th as well. Do you think we can finish our discussion with him in one afternoon? We are trying to plan our travel.

Thanks,  
Amy

OK, but let me run it by my client and Mr. Olivier, as I believe he is just expecting to discuss PRPs. What areas of inquiry would you expect to have for him?

In the meantime, let's go for the afternoon of the 4th. I'd like to get this set as Mr. Olivier has confirmed his availability that day.

I would like to talk with him if that is not a problem.

This is for additional PRPs. Do you still want to attend?

I am available the 4th, but I need to make sure we have money for me to travel. I would prefer later in the month simply because I'm out after tomorrow until the 3rd so getting everything squared away will be tough, but I can make it work if that time works for everyone else.

Thanks,  
Amy

Robert,

Former Chromalloy employee Chris Olivier can meet with us Jan. 3 or 4 at his home in Houma. Can you come on one of those dates?
